

Fundraising Results

For every dollar London Health Sciences Foundation invested to raise funds during the last fiscal year, we returned more than three dollars in revenue or \$22.9 million through direct donations, events, lotteries and investments – all supporting Hospital-identified equipment, education, research and patient care priorities at London Health Sciences Centre.

We also secured pledges for \$17.7 million so that doctors, researchers and staff can continue to innovate and make discoveries that enhance and advance patient and family-centred care at our Hospital.

We couldn't do this without the support of our community. That is why, as a Canada Revenue Agency registered charity that is accredited by both the Better Business Bureau and Imagine

Canada, we are committed to inspirational, ethical, transparent and effective fundraising.
